FICTIONAL TEST EVIDENCE - NOT A REAL RECORD

Medical invoices, itemized billing and payer information

Hospital itemized medical bill

Billing entity: Elm Harbor Memorial Hospital; patient: Elena Sofia Rivera; service date: 02/14/2026.

Itemized medical bill TEST-MB-101: emergency evaluation $1,900.00; wrist imaging $700.00; splint and supplies $180.00; total $2,780.00.

Bill prepared 03/01/2026. This fictional billing statement has not been marked produced or assigned an actual Bates stamp.

Medical invoices, itemized billing and payer information (continued)

Third-party payer explanation of benefits

Fictional insurer: North Harbor Mutual. Explanation of Benefits (EOB) issued 03/16/2026 for Elena Rivera.

Billed $2,780.00; plan-paid $1,950.00; patient responsibility $350.00; negotiated adjustment $480.00.

A payer letter dated 09/01/2026 notes a potential reimbursement lien subject to verification. It does not prove a valid enforceable lien.

This EOB is a potential match for Form 205 Requests 6 and 8 but attorney must assess responsiveness and privilege.
