FICTIONAL TEST EVIDENCE - NOT A REAL RECORD

Statements and records-availability checklist

Witness account

Non-privileged fictional witness statement dated 02/16/2026: witness Brianna Ellis said she observed a delivery van drift toward the plaintiff vehicle near I-95 Exit 46.

This statement is available as a mock evidence PDF; there is no indication that a transcript or audio recording was created.

Plaintiff statement note dated 02/18/2026 says Elena Rivera recalled the crash and reported no cell phone use at the time.

Statements and records-availability checklist (continued)

Toxicology and surveillance availability check

Hospital medical record: no blood alcohol testing and no drug screen documented for Elena Rivera on 02/14/2026.

The medical packet contains no toxicology report and no signed authorization for a drug screen. Do not fabricate one for Request 205-12.

Counsel inventory dated 10/10/2026: no surveillance recording or footage has been located in the packet. This statement is not proof of a complete discovery search.

No surveillance video, surveillance recording or surveillance transcript is included. Request 205-13 requires attorney review.
