Matter and claim identification

Matter: Rivera v. Meridian Cargo Services

Test docket: CV-TEST-202-0042

Court: Superior Court, Judicial District of New Haven at New Haven

Plaintiff: Elena Sofia Rivera (formerly Elena Sofia Ruiz).

Defendants: Meridian Cargo Services LLC and Parker Moss.

Complaint dated: 05/04/2026; incident date: 02/14/2026.

Plaintiff residence: 18 Mockingbird Lane, Apartment 2, New Haven, CT 06511.

Plaintiff employer: Bayfield Technical Services Inc., 44 Sample Park Road, New Haven, CT 06510.

Allegations in complaint

At approximately 8:10 a.m. on February 14, 2026, Elena Rivera was driving a leased blue 2020 Honda Civic northbound on Interstate 95 near Exit 46 in New Haven.

A Meridian Cargo Services LLC delivery vehicle driven by Parker Moss struck the rear of Rivera's vehicle during slowing traffic.

The plaintiff alleges cervical sprain, displaced left distal radius fracture, right knee contusion, and post-traumatic headaches.

The complaint alleges ongoing left-wrist limitation and intermittent neck discomfort and claims medical expenses, lost earnings and reduced earning capacity.

The complaint asserts damages but does not by itself establish medical causation or permanence.

Plaintiff signed discovery verification - fictional

All names, events, institutions, numbers and addresses below are invented solely for local software acceptance testing.

Identity and current medical situation

Declarant: Elena Sofia Rivera, formerly Elena Sofia Ruiz; declaration dated 10/10/2026.

I presently reside at 18 Mockingbird Lane, Apartment 2, New Haven CT 06511.

I remain under Morgan Lee, DPT for therapy and under Dr. Lena Cho, M.D. for left wrist follow-up.

I have not fully recovered. I claim current activity restrictions and a permanent partial impairment of my left upper extremity based on the September 30 medical prognosis.

After the crash, I was confined to my home except for treatment between 02/17/2026 and 03/01/2026; I was not confined to bed.

I was not aware of any other permanent disability rating for another body part beyond Dr. Cho's left-upper-extremity assessment.

Alcohol, medication and phone confirmation

During the eight hours before the 02/14/2026 crash I consumed no alcohol, recreational drugs, prescription medication or over-the-counter medication.

At the time of the crash and immediately before it I was not making calls, texting, emailing, browsing or otherwise using a cell phone.

My phone was stored in my bag on the back seat.

I know the emergency department performed blood alcohol and drug screening approximately two hours after the collision.

Claims, settlements and disclosures - fictional plaintiff verification

All names, events, institutions, numbers and addresses below are invented solely for local software acceptance testing.

Claims and employment

I have made no workers compensation claim related to the 02/14/2026 crash because it occurred during a personal trip.

I have not received workers compensation benefits for the 02/14/2026 crash.

I have not signed a covenant not to sue, release, discharge or settlement of a claim arising from the 02/14/2026 incident.

Neither I nor anyone acting for me has agreed to limit anyone's liability from that crash.

I know of no other employment in the three years before the crash beyond Bayfield Technical Services Inc.

I claim impairment of earning capacity due to the documented restriction on my regular equipment maintenance role.

Past and later injuries

My prior left-wrist sprain occurred at Harbor Market on 05/05/2022 and was resolved by June 2022. I made a claim and brought suit over that prior injury, which settled in 2023.

My later fall on 07/12/2026 caused a separate right knee bruise. I filed no claim and brought no lawsuit over that fall.

Neither my prior wrist sprain nor the later knee bruise resulted in a medical permanent-disability assessment.
